

Supplement Submission Checklist

Complete this checklist before submitting every supplement request.

Last Updated: June 2026 • Version 1.0

Required Items — Confirm Before Clicking Submit Order

■ Borrower Authorization

A signed borrower authorization is attached to the request.

■ Correct Borrower File

You are working in the correct borrower file for this request.

■ Correct Tradeline Selected

The tradeline selected matches the account being updated.

■ Correct Supplement Type

The supplement type selected matches the update being requested.

■ Supporting Documentation

Acceptable creditor documentation is attached.

■ Account Number Match

The account number on the document matches the credit report.

■ Additional Instructions Added

Any special notes have been added in the Additional Instructions field (when applicable).

■ Rush Selected Only If Needed

The Rush option is only selected when the request is genuinely time-sensitive. Rush requests may include an additional fee.

Accepted Documentation Should Clearly Show

- Borrower's full name
- Creditor name or logo
- Account number or last four digits
- Date on the document
- Balance, payment, or status being verified
- Complete and readable page or screenshot — not cropped or partial

Document Quality Requirements

Accepted	Not Accepted
Clear PDF, clean screenshot, or scanned copy	Blurry or low-resolution phone photos
Complete pages showing all required fields	Cropped documents missing key information
Statements with visible date and account details	Documents showing only pending or future-tense payment language
Creditor letters on official letterhead	Documents missing borrower name, creditor name, or date

■ **Submitting Complete Documentation Upfront May Help Reduce Delays**

Review all documents carefully before clicking Submit Order. If you are unsure whether documentation meets requirements, contact ISC Credit before submitting.

Before submitting documentation, make sure all required details are visible. If you are unsure, contact ISC Credit at (800) 290-2801 before submitting.

This guide is for general workflow education only. Requirements may vary by lender, investor, AUS, credit bureau, account setup, and applicable law. ISC Credit does not make underwriting or credit approval decisions. Clients should follow their own company policies, investor guidelines, and compliance requirements.
